

WOMEN'S TRANSPORTATION SEMINAR INTERNATIONAL – MAINE CHAPTER MEETING

Tuesday, October 31, 2017, MaineDOT-Augusta

Brown Bag Presentation "Map Viewer"

Please join WTS-Maine Chapter for a Brown Bag Lunch Presentation on MaineDOT's Map Viewer, presented by Nate Kane. Map Viewer is a powerful tool for accessing information on MaineDOT work, infrastructure inventories, and related features. Nate Kane, GIS Administrator for MaineDOT, will discuss Map Viewer's functionality, how it can be useful on transportation projects, and demonstrate to attendees how to use the tool.
