

## RECRUITING EXCEPTIONAL TALENT FOR ALL OF YOUR HIRING NEEDS.

Founded in 1998, Resource Options, Inc. (ROI) is a full service staffing solutions provider for the construction, design, environmental, and emergency response industries. Today ROI has grown to thirty-six staff employees across five locations in Londonderry, NH, Needham, MA, Wethersfield, CT, Stratford, CT, and West Caldwell, NJ. ROI's permanent placement division provides strategic searches for mid-to-executive level positions across the construction, environmental, and design industries. Our team has successfully placed senior engineers, project managers, and environmental executives with many of the industries leading firms.

Our focused approach includes learning first-hand about your company and the positions you need to fill. We identify passive and active job seekers alike, recruiting and screening these job seekers, and providing you with exceptional candidates for consideration. ROI's temporary placement group provides candidates for a broad range of disciplines, including but not limited to carpenters, electricians, plumbers, OSHA 40 technicians, chemists, and laboratory technicians. In more recent history, ROI has been instrumental in mobilizing a qualified workforce for emergency response efforts on projects such as Deepwater Horizon, Hurricane Irene, Yellowstone River, and Hurricane Sandy.
