WTS-Boston strives to have a Board of Directors which reflects the diversity of its membership, achieves a balance of members from the public and private sectors, and represents all modes of transportation. Criteria for selection of all candidates include WTS membership and participation, leadership roles within the organization or place of employment, and the extent to which the slate reflects the overall goals and mission of WTS-Boston and WTS International. Both self-nominations and nominations of others are welcome. Once a slate is approved, ballots will be mailed to all members.

In general, the President shall perform all duties incident to the office of president and such other duties may be prescribed by the Board of Directors.

### VICE PRESIDENT (Two-year term)

The Vice President shall preside in the absence of the President or in the event the President is unable to or refuses to act. When not acting, the Vice President shall have all powers of and be subject to all the restrictions upon the President. The Vice President shall perform such other duties as may be assigned by the President or by the Board of Directors.
