Michael Baker International is pleased to be a WTS – Boston Sponsor

Michael Baker Jr., Inc., a Michael Baker International Company, is a leading global provider of engineering and consulting services which include planning, architectural, environmental, construction, program management, and full life cycle support services as well as information technology and communications services and solutions.

Michael Baker International provides its comprehensive range of services and solutions in support of U.S. federal, state, and municipal governments, foreign allied governments, and a wide range of commercial clients. With more than \$1 billion in annual revenue, Michael Baker International has more than 5,000 employees in over 90 offices located across the U.S. and internationally. Our local office is located at 57 Boston-Providence Highway in Norwood, Massachusetts.

The Company recently completed the inspection of the Leonard P. Zakim Bunker Hill Memorial Bridge across the Charles River in Boston utilizing innovative access technologies never before used for this signature structure. The combined use of SPRAT-certified inspectors and the utilization of a specialized boat-mounted aerial platform provided our client with the most economical service possible while also minimizing impacts to traffic.
