Calling all High School Students!

2019 – 2020 PennDOT Innovations Challenge

Last year, PennDOT spent nearly $13 million cleaning up roadside litter across Pennsylvania. In addition, nearly 5,000 volunteers spend countless hours participating in the Adopt-A-Highway program each year.

Your Challenge: Aside from laws, programs and educational campaigns, what cost-effective, innovative solution can be developed in the next five to 10 years to help PennDOT more efficiently, effectively and safely control litter along roadways?

For complete PennDOT Innovations Challenge information, including the online submission form, visit www.penndot.gov/innovation.
Additional Information

The challenge is open to Pennsylvania high school freshmen, sophomores, juniors, and seniors in public, private or charter schools, and homeschooled students.

The PennDOT Innovations Challenge is a statewide competition that challenges teams of students to use their problem-solving, creative, and strategic-thinking abilities to solve real-world transportation challenges. The deadline for submissions is December 20, 2019.

The Pennsylvania Chapter of the American Traffic Safety Services Association and the Keep Pennsylvania Beautiful organization are providing a combined total award of $3,000 to be divided among the first, second and third place statewide winning teams.

Think you have an innovative solution? Give the PennDOT Innovations Challenge your best effort!
