Tips for Applying to WTS Central PA Scholarship Program
(Recommendations, not required)

➢ Application

✓ Best if typed/electronic not handwritten
✓ Scholarship scoring varies by type of scholarship, but generally includes consideration for grades/GPA, STEM courses and activities, community service, leadership, all activities, personal statement/written essay, and recommendation letters.

✓ Email is preferred, but regular mail is accepted.

➢ Recommendation letters

✓ Should be dated in the last 12 months
✓ Should discuss personal experience with student
✓ Best if from a STEM professor/teacher/advisor

➢ General

✓ Make sure the email and/or phone number you provide is monitored. When we receive the application and anytime during the review process, we may have questions. And this is how you will be notified if you will receive a scholarship from us.

✓ Scholarship winners will be invited to our annual dinner awards event. This usually occurs in January or early February in the Harrisburg Area in the evening. It is not required you attend to receive your scholarship, but a great benefit to meet many in the professional workforce, as well as the other scholarship winners.
