Message from the President

We’ve survived our first full year since incorporating WTS Connecticut Valley. A variety of programs were tried and we had our first sponsor—Double A Transportation, Inc.

I’m excited as we begin our second year. The “kinks” have been ironed out and we have great plans for our monthly meetings. Meetings will include transportation related events, training sessions, as well as career and personal development programs.

Our membership represents all aspects of the industry and I’m confident that as we share our experience, knowledge, and ideas that we will positively impact transportation in Connecticut.

— M. Christina Olson

WTS National Conference
May 19-21
Chicago

Committee Updates

Volunteers are still needed to chair the Program and Career Development Committees. These two chairpeople will work together to schedule programs for WTS Connecticut Valley meetings.

The Program Chair works, with the assistance of a program committee, to arrange programs for the meetings of the organization. The committee invites speakers, engage facilities, and assists in the production of the notices for such meetings.

The Career Development Chair must keep abreast of career development needs of the members and shall design and arrange appropriate career development training activities.

If you have any questions or are interested in chairing either of the above committees, please contact M. Christina Olson at 247-3329.

Membership Report

Membership in WTS Connecticut Valley is on the rise with seven new members for a total of sixty-nine. The membership committee encourages each member to share and promote WTS.

If you know of anyone with a professional interest in transportation who would like additional information about WTS, please write to: WTS Connecticut Valley, Inc. P.O. Box 290164, Wethersfield, CT 06109.

WTS Connecticut Valley welcomes the following new members:

Touring Bradley

On the evening of Wednesday October 21st, WTS Connecticut Valley toured Bradley International Airport. Once on the grounds of Bradley, WTS was met by our tour guide and host Robert Juliano, Airport Administrator. Lisa Fazzino from Bradley was a key element to the success of our tour of Bradley’s runways, extensive security system, and new west-side courier facility. Many found the construction and explanation of the state-of-the-art fire-fighting training center the highlight of the tour. This center will train firefighters and paramedics from across the entire state of Connecticut.

Deputy Commissioner Nancy Hadley & Robert Juliano of Bradley.
