

Marketing Intern

Lina T. Ramey and Associates, Inc. (LTRA), Farmers Branch, TX

Summary:

LTRA has an immediate opening for a Marketing Intern to join our team in the Farmers Branch, TX office. We are interested in employing a student intern who is self-motivated and wishes to gain experience working in the Marketing department of a local Engineering, Survey, Subsurface Utility Engineering, and Construction Management firm.

The right candidate is one who is eager to learn, has a great attitude and is committed to delivering quality work on a consistent basis. This person will perform assignments under the direct supervision of the Marketing/Business Development Director.

Essential Duties/Qualifications:

- Currently a Sophomore to Senior Undergraduate or Graduate student with a minimum GPA of 3.00, majoring in Business or Marketing/Communications
- MS Office skills are required
- Attention to detail a must
- Graphic Design (specifically in Adobe Illustrator or InDesign) a plus, but not required
- Must possess strong problem solving along with written and verbal communication skills

About LTRA:

LTRA is a professional consulting engineering and surveying firm established in 1998 in Dallas, TX. LTRA offers a strong reputation, broad-based technical expertise, and a sincere commitment to client service. The firm provides professional services for a wide range of projects with an emphasis on:

- Transportation Engineering
- Surveying
- Roadways
- Freeways
- Hydraulics and Hydrology
- Light Rail
- Subsurface Utility Engineering
- Water and Wastewater Design
- Construction Management
