

Project Surveyor

Lina T. Ramey and Associates, Inc. (LTRA), Farmers Branch, TX

Summary:

LTRA is seeking to hire a Project Surveyor to support efforts within our established and rapidly growing survey department. This position requires experience with TxDOT related right-of-way mapping documents and deliverables, along with the ability to manage multiple projects simultaneously.

Essential Duties/Qualifications:

- Valid registration as a Registered Professional Land Surveyor (RPLS) in the State of Texas (preferred)
- TxDOT Precertification in survey categories
- Ability to work in MicroStation/GEOPAK
- Familiar with Trimble Business Office
- Professional attitude and appearance
- Ability to communicate with all levels of management
- Flexibility to travel in state for short periods, if needed

About LTRA:

LTRA is a professional consulting engineering and surveying firm established in 1998 in Dallas, TX. LTRA offers a strong reputation, broad-based technical expertise, and a sincere commitment to client service. The firm provides professional services for a wide range of projects with an emphasis on:

- Transportation Engineering
- Surveying
- Roadways
- Freeways
- Light Rail
- Subsurface Utility Engineering
- Water and Wastewater Design
- Construction Management

Benefits

An excellent benefits package, competitive compensation, relocation assistance and career advancement opportunities are just a few of the amazing benefits as an LTRA employee. Come join our team of professionals that are leading the way for the engineering industry! We offer a comprehensive and competitive benefits package including:

- Medical, dental and vision plans
- Life insurance
- Long- and short-term disability
- Vacation and holidays
- 401(K)
- Employee training and tuition reimbursement
