WTS Mentoring Committee Refocus

The WTS Mentoring Committee is switching gears to focus on outreach. *If you have ideas for events or want to be a part of this committee, please email Stephanie Taylor stephanie.taylor@aecom.com.* The Outreach Committee will kick off next calendar year, and this is a chance for all of us to make a difference for our communities and for our chapter. *Please note that the activities need to be programs already in place that WTS members can simply participate in once, such as local food bank drives.*

SAVE THE DATE

August Breakfast and Technical Tour – Wednesday, August 25th

Attendees will take a bus tour of the DFW Connector Project.
