Come to the Speakeasy room at one of downtown Indianapolis's best restaurants, Harry & Izzy's, for delicious food, engaging conversation and to learn more about the pride of the Circle City, the Indianapolis 500 Mile Race.

Our distinguished speaker, Donald Davidson, the official historian of the Indianapolis Motor Speedway and the Indianapolis 500, will give interesting insights into this iconic race and tell us more about how women have shaped its history over the past 100 years.

Advancing Women in Transportation
