

Don't miss your chance to sponsor the inaugural launch of the **NCDOT Mobi Awards!**

The North Carolina Department of Transportation and its partners – NC Go!, the North Carolina Triangle Chapter Women's Transportation Seminar, and the N. C. State University Institute for Transportation Research and Education – announce the launch of a new awards program. The **NCDOT Mobi Awards** recognize projects that showcase the important and transformational role that investments in multimodal transportation – such as bicycle, pedestrian, rail, transit, ferry, and aviation projects – play in creating vibrant communities in all parts of the State.

The over-arching goals of the **NCDOT Mobi Awards** are to:

- Celebrate multimodal investments in communities of all sizes
- Advance North Carolinians' understanding of how multimodal investments advance economic development, spur private sector investment, improve public health, and connect people to jobs, healthcare, and education
- Stimulate ideas for future multimodal investments

Awards will be presented at a luncheon on **April 3, 2019** at Dorothy & Roy Alumni Center by Secretary of Transportation Jim Trogon. Be one of the first to sponsor the **NCDOT Mobi Awards** luncheon!

Special luncheon guests will include: Jim Trogon, Secretary of Transportation; Michael Fox, Chair NC Board of Transportation; NC Board of Transportation Members; and State and Local Elected Officials.
