Women's Transportation Seminar (WTS) Philadelphia Chapter
Junior College College Scholarship

WTS fosters the development of women in the transportation field by encouraging bright new professionals to undertake careers in the area of transportation. One way it does this is by awarding community, technical, or trade college scholarships to women pursuing transportation related study at community and trade colleges. This scholarship is intended for students pursuing an associate or technical degree in transportation-related studies.

The minimum criteria for selection are as follows:

a. Open to Women
b. GPA of 3.0 or higher
c. Currently enrolled in a community college, technical school or trade school in a transportation related field

The scholarships are competitive and based on the applicant's specific transportation involvement and goals, job skills and academic record. Minority candidates are encouraged to apply. Local recipients will be announced in early November 2019. The final decision for all scholarship awards is solely within the discretion of the WTS Philadelphia Scholarship Committee.

Winners and a guest will be invited to attend the WTS Philadelphia Annual Awards Dinner in Center City Philadelphia on the evening of December 5, 2019. Attendance at the awards dinner is strongly encouraged.

Local Philadelphia Chapter winners for each scholarship will be advanced for the opportunity to win the WTS International Foundation’s national scholarship award. Winners of the WTS Philadelphia Chapter Junior College Scholarship will be entered to compete for the WTS International Junior College Scholarship.
