

WTS Bimla G. Rhinehart Leadership Scholarship for Undergraduates

Part of the WTS goal of fostering the development of women in the transportation field can be realized by encouraging bright new professionals to undertake careers in the area of transportation. The Bimla G. Rhinehart Scholarship is awarded to women pursuing undergraduate studies in transportation or a related field who demonstrate leadership skills, ability, and interest.

The purpose of the Bimla G. Rhinehart Leadership Scholarship is to motivate and reward women who demonstrate leadership in the transportation industry. Ms. Rhinehart applied her broad expertise in transportation issues both as the Executive Director of the California Transportation Commission and numerous leadership roles at the Department of Transportation to improve the quality of life for all Californians. She is recognized as a leader in developing and fostering long lasting relationships with stakeholders and partners across the state to promote the success of California's integrated intermodal transportation program. Leadership does not just happen. Leaders personally invest and risk much. They must take on struggles that many would avoid and persevere to reach successful outcomes. These qualities should receive special attention in the selection of the award winner.

At the national level, the Bimla G. Rhinehart Leadership Scholarship is awarded as the Molitoris Leadership Scholarship. The application of the local recipient is forwarded for entrance in the international scholarship selection process. The international award is in the amount of \$5,000. At the local level, the Bimla G. Rhinehart Leadership Scholarship is \$3,000. The minimum criteria for selection are:

- b. Currently enrolled in an undergraduate degree program in a transportation-related field, such as transportation engineering, planning, finance, or logistics.
- c. Plans to pursue a career in a transportation-related field.
