San Diego County Chapter

# LUNCH & LEARN

The Lunch & Learn series offers public sector employees and students with opportunities to learn about best practices in the field from WTS San Diego's Corporate Sponsors.

This month will feature:

WSP will discuss the fundamental principles in employing risk management on capital projects as well as risk management approaches for working with different federal agencies and alternate delivery procurements.

Jacobs will present on the globalization of design teams for mega-projects. The topic has become more important as the U.S. seeks expertise for new transportation alternatives, such as high speed rail, and innovative design solutions.
