Our Thunder Talk aka Lightning Talk is a fun, casual gathering that offers WTS members and non-members in both the public and private sectors the opportunity to learn about industry innovations and best practices within the various transportation fields that make up our organization. Presenters will be able to showcase their expertise to a general audience of peers, and hone their skills at this modern style of public speaking.

### Speakers:

Cecily Taylor, Fehr & Peers

Diane Vermeulen, Caltrans

Harinee Trivedi, Burns & McDonnell

Kimberly Dodson, Caltrans
