BOOK OF THE MONTH

“How to Win Friends and
Influence People”

by Dale Carnegie

“This grandfather of all people-skills books was first published in 1937. It was an overnight hit, eventually selling 15 million copies. How to Win Friends and Influence People is just as useful today as it was when it was first published, because Dale Carnegie had an understanding of human nature that will never be outdated. Financial success, Dale Carnegie believed, is due 15% to professional knowledge and 85% to “the ability to express ideas, to assume leadership, and to arouse enthusiasm among people.”
