

Dina Potter has been an active WTS member since relocating to the San Francisco Bay area in 1999. She served as treasurer and president with WTS-San Francisco before joining the board as Director in 2005. Potter became WTS International Treasurer in May 2008.

Potter oversees client relations and transportation business development for Jacob's Northern California region. She previously led and expanded Carter & Burgess' presence in San Francisco Bay Area in the areas of environmental and transit/transportation planning, engineering design, program management and project controls. She was responsible for strategic and business planning efforts, client management, expansion in new market areas, and overall financial performance.

Potter has more than 20 years of experience leading high profile highway and transit projects that required extensive federal, state, and regional regulatory and public review. She has an excellent reputation for understanding client needs and providing creative, high quality solutions.
