

About Josipa Petronic

Josipa Petronic is the Executive Director & CEO of CUTRIC. She is leading the formulation of several national transportation technology trials related to zero-emissions transportation and “smart vehicles” innovation, including the Pan-Canadian Electric Bus Demonstration & Integration Trial, the Pan-Canadian Hydrogen Fuel Cell Demonstration & Integration Trial, and the National Smart Vehicle Demonstration Project. Dr. Petronic has built up CUTRIC’s consortium to include more than 100 private and public-sector companies and organizations across Canada. Previously, she served as a lead researcher in electric vehicle policy studies at McMaster University, and as a senior research fellow at University College London (UCL) in the United Kingdom in Science and Technology Studies.

Dr. Petronic serves as a Director on the Women’s Transportation Seminar (WTS) Foundation Board and serves as an Observer on the Board of Directors for InnovÉE.
