

Lisa Loftus-Otway, Attorney at Law (New York Licensed) is a Research Scientist at the [Center for Transportation Research](#) at the University of Texas at Austin, and as is the Assistant Director for Research at the [Center for Cooperative Mobility for Competitive Megaregions](#) a Tier 1 USDOT University Transportation Center. Lisa's research portfolio focusses on the intersection of transportation law and policy, megaregions and inter-regional planning, freight planning, the law of automated and connected vehicles, environmental and land use policy and environmental justice. She has led teams on over forty research projects for clients including FHWA, USDOT, TRB, DHS and in Texas for TxDOT, NCTCOG and the City of Austin. She has presented her research and moderated panels at South by Southwest, APA, TRB, NASCO, Association of Pacific Ports, Association of Transportation Law Professionals and many others.

Lisa has been a member of WTS for over 10 years and has served as President, Professional Development Committee Chair and Recognitions Chair for the Heart of Texas Chapter. Most recently, she was the Advisory Council Committee Chair. She was the HOT Chapter's Woman of the Year in 2015 and Member of the Year in 2011. Lisa is also actively involved with the UT Austin WTS Student Chapter. She led the chapter to become the third student chapter to receive ratification, and she is an advisor and mentor to its board and chapter members. All of Lisa's students who work as Graduate Research Assistants join WTS, and many serve as board and committee members of the HOT chapter post-graduation.
