

**National Director of Toll Client Development
Associate Vice-President
HNTB Corporation**

Lisa Thompson brings over 25 years of experience in communications, legislative and client services. She is currently the National Director of Toll Client Development for HNTB. In this role Lisa supports national toll clients for HNTB in strategic planning and delivery of communications, media, branding and legislative plans. Lisa is a graduate of the University of Georgia and numerous leadership academies. She currently serves on the Board of Directors for WTS International, the Foundation Board for the International Bridge, Tunnel, and Turnpike Association (IBTTA), Communications Committee for ITS America and Communications Committee for IBTTA. She is the former Chair of the Communications Committee for 2014 ITS World Congress.

Prior to joining HNTB, Lisa served as the National Public Affairs Manager for Jacobs Engineering. In this role, she worked on tolling, P3, managed lanes and other innovatively funded projects nationally. She also previously worked in several Georgia state agencies including as Director of Communications, Marketing and Legislative Affairs at the State Road and Tollway Authority. During this time, Lisa created the first marketing plan for SRTA and passed landmark legislation for toll violators. She also worked in the administration of former Governor Joe Frank Harris (GA).

Her philanthropic initiatives have included serving as a volunteer and board member for the Georgia Breast Cancer Alliance, Ovarian Cancer Alliance, Georgia Council on Child Abuse and Atlanta Opera Ball Committee. Her hobbies are travel and reading. To date, Lisa has visited five continents, 36 countries and 48 states. Her goal upon retirement is to go back to school in Europe and receive a master's degree in medieval European history and learn French.
