

WOMEN'S TRANSPORTATION SEMINAR INTERNATIONAL – MAINE CHAPTER MEETING

SAVE THE DATE! RSVP NOW!

Tuesday, October 9, 2018

BIKE 'N' BEER

WTS Bike Outing with Angela King

Community Advocacy Coordinator Bicycle Coalition of Maine

Please join WTS-Maine Chapter for a fun and educational bike outing with Angela King, Community Advocacy Coordinator of the Bicycle Coalition of Maine.

Angela is excited about joining us and thinks an early October fall ride would be great! The ride will be along the Kennebec River Trail in Hallowell as well as some on-street riding to provide education about roadway design and maintenance issues related to bicycle safety.

The Bicycle Coalition of Maine was the first organization Angela joined when she moved to Maine. She believes cycling for recreation and transportation leads to healthier people and communities. As a teacher, attorney, and community activist, Angela has been motivated by the belief that supporting people empowers them to make positive changes in their lives and communities. She is thrilled to now work with people throughout the state on issues that make Maine's roads safer for all.

Bike Outing:

Kennebec River Rail Trail

Gather: 5:00-5:15 pm

Meet at the Trailhead parking lot off of Water Street. Details to follow via email for RSVPs.

Ride 5:15 – 6:15 pm
