A NOTE FROM THE PRESIDENT

President Tonya Saxon

It is the dawn of a new decade and WTS Atlanta is already gearing up for even bigger and better programs for its members in 2020 and beyond. In fact, we have already started the planning process for the Atlanta Chapter's 40th Anniversary Gala which will take place in August 2022. But before we reach that exciting milestone, I am fully committed to bringing you engaging events, technical tours, lunch and learns, and yes, happy hours in 2020. I am thrilled about what the future has in store for WTS Atlanta and honored to have each one of you join us for the ride.

Atlanta traffic reporter Ashley Frasca recently celebrated 10 years in Atlanta radio, all with 95.5 WSB! She is a daily part of Triple Team Traffic on both WSB Radio and on WSB TV Ch. 2, helping you during your morning commute. Ashley has been involved with WTS Atlanta for five years now and loves helping with the Annual Scholarship Luncheon every year!

Ashley is very excited about her new opportunities in the new year! It was recently announced that she will be taking over as host of the Lawn & Garden Show, heard every Saturday morning on 95.5 WSB for more than 25 years. Not only does she help Atlanta listeners get around traffic jams, but now she'll tell you how to make plants thrive too! Her first show will be February 1st. Be sure to tune in.
