A NOTE FROM THE PRESIDENT

President Tonya Saxon

Cooler temperatures have arrived and it finally feels like Fall in Atlanta. Before the mad dash of the holiday seasons arrives, I would like to encourage us all to just take a moment to watch the leaves turn, figuratively and literally. Nature has a way of shedding the old and preparing for what is to come and we all marvel at the beautiful colors that result from that process. What things do you have in your life that you need to shed in order to prepare for what is on the horizon? Self-doubt? Fear of the unknown? Over-analyzing? Comparing yourself to others? Resisting change? Whatever it is, now is the time to let the leaves turn and fall, so that when spring arrives, you are in fabulous, full bloom.
