

WTS Helene M. Overly/Esther Kmetty Memorial Scholarship

The WTS Helene M. Overly Memorial Scholarship was established in 1981 by WTS International to encourage women to pursue career paths in transportation. The scholarship is awarded to women pursuing graduate studies in transportation or a related field.

In memory of Helene M. Overly, the first Executive Secretary of WTS, the Board of Directors voted to name the annual WTS graduate scholarship the Helene M. Overly Memorial Scholarship to honor Helene for her dedicated service to WTS. Helene became a WTS member in 1981. She brought with her 15 years of experience in public service, tremendous organizational abilities, and a spirit of determination that helped WTS nearly double its membership in two years.

This Graduate Scholarship has been renamed for the Phoenix Metropolitan Chapter to honor our longtime supporter, Esther Kmetty, for her contributions and dedications to growing our chapter.

How to Create a Successful Scholarship Application

When applying for a WTS Scholarship, please keep the following in mind to be sure your application gets the utmost consideration:

1. Review the requirements of the scholarship carefully and be sure that you meet all criteria.
 - a. Some scholarships are open only to graduate students while other scholarships are for undergraduate students.
 - b. Some scholarships have a minimum GPA requirement and will be looking at your transcripts to show your commitment to transportation and career trajectory.
 - c. Some scholarships ask you to highlight your career goals, leadership experience and commitment to transportation.
 - d. Please include a paragraph on how you will support the goals of WTS.
2. Be sure to submit supporting documentation with your application as required by the scholarship:
 - a. GPA/Transcripts
 - b. Recommendation Letters
 - c. Personal Statement
 - d. Proof of Enrollment
3. Be sure your personal statement and your goals support your commitment to transportation and a career in a transportation-related industry. Highlight organizations you belong to and how your participation has helped you. Include internships and volunteer work in your resume.
4. Proof read! Have someone review your submitted application and personal statement to catch errors and misspelled words (especially the name of the scholarship). Writing skills and career goals as reflected in the personal statement are given greater weight for undergraduate students than curriculum given that there has been less opportunity to participate in courses directly related to transportation.
