

## WTS Junior College/Trade School Scholarship

WTS fosters the development of women in the transportation field by encouraging bright new professionals to undertake careers in transportation. One way it does this is by awarding community, technical, or trade college scholarships to women pursuing transportation-related study at community and trade colleges.

*This scholarship is intended for students pursuing an associate or technical degree in transportation-related studies.*

The WTS–Boston Chapter is offering a scholarship in the amount of **\$2,000**. The recipient is then forwarded to the **WTS Foundation for consideration for the WTS Junior College/Trade School Scholarship in the amount of \$2,500**. The minimum criteria for selection are:

- a. GPA of 3.0 or higher
- b. Currently enrolled in a degree program in a transportation-related field.
- c. Plans to pursue a career in a transportation-related field.

Applications must be submitted through local WTS chapters as **typed word documents**. Scholarships are competitive and based on the applicant's specific transportation goals, academic record, and transportation-related activities or job skills. National awards will be presented during the WTS Annual Conference in May 2021, and attendance during the awards ceremony is strongly recommended. Conference registration for scholarship winners is complimentary. Local chapters will assist with arrangements upon selection.

Please return your completed application to:
