

2016 WTS SAN DIEGO SCHOLARSHIP WINNERS

Graduate Scholarships

MIMI MORISAKI graduated from San Diego State University with a Master of City Planning degree. She is already involved in planning, and interned for SANDAG's planning division while in college. Mimi previously served as Vice President of the WTS San Diego Student Chapter.

JENNA SCHUDSON graduated from San Diego State University and hopes to work specifically in the field of Transportation Planning. She not only interned at Caltrans and the City of Encinitas while in college, but also managed to find time to tutor and volunteer.

Undergraduate Scholarships

VIVIANA VELA currently attends University of California, San Diego and is pursuing a degree in Structural Engineering with a heavy focus on Civil Engineering. Her goal is to pursue a Ph.D. in Transportation Engineering.

JASMINE TRAC currently attends San Diego State University and is pursuing a degree in Civil Engineering. She recently passed the Fundamentals of Engineering exam and has an Engineer in Training (EIT) certification. She plans to focus on the design of bridges and roadways.
