2020 WTS International Signature Leadership Training

Applications are open!

In a rapidly changing world, transportation will be essential in the coming years to ensure security, accessibility, and opportunity for years to come. To accomplish these transformative goals, a new generation of leaders will require skills like: innovation, creativity, ability to measure risk, and compassion.

The WTS International Leadership Program seeks to prepare women to lead the future of the transportation industry by developing professionally and learning how to manage others effectively; ultimately, for the advancement for all in the transportation industry and for those who use it.
