Annual reports matter. In fact, when asked how he became so successful in investing, Warren Buffett said, “We read hundreds and hundreds of annual reports every year.” A comprehensive profile, an annual report provides essential information on organizational accomplishments. But it also points towards future success. So, it is with great passion and pride that we present WTS-LA’s recently released 2015 Annual Report. Produced by Curt Pringle & Associates Director of Community Outreach Elizabeth “Liz” Ramirez, the 2015 WTS-LA Annual Report offers a perfect encapsulation of the chapter’s mission, goals, and activities.
