

College Outreach Program: Overcoming Obstacles in Virtual Environments

The roundtable event on October 8, 2020, Overcoming Obstacles in Virtual Environments, was attended by a mix of professionals and college students who shared their experiences these past few months on seeking mentors and leveraging technology and programs during the pandemic. The event split up into breakout room discussions to allow students to be a part of the conversation with the panelists: **Tina Backstrom** (LAWA), **Gretel Ochoa-Nhac** (Civiltec), **Brianna Pearlman** (Mott MacDonald), **Belinda Varela** (Metrolink), **Victoria Osaji** (Stantec).
