

WTS-LA Aviation Program

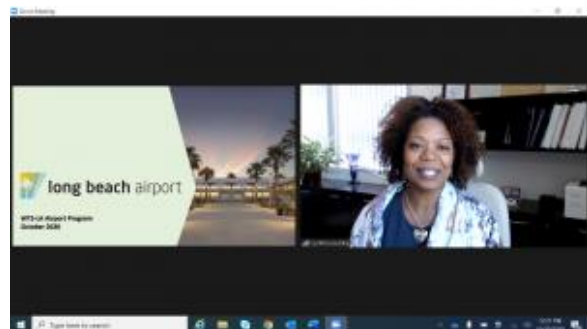

On October 29, 2020, Cynthia Guidry, P.E., Director of Long Beach Airport, and Michelle Schwartz, Chief Corporate Strategy & Affairs Officer for Los Angeles World Airports (LAWA), led an inspiring, informative discussion about how Long Beach Airport and LAWA are planning for the future while remaining nimble and adaptable to the ever-changing air travel demands due to COVID. They talked about status of current capital improvement projects and upcoming opportunities.
