Congratulations to WTS Atlanta Members Recognized by Engineering Georgia Magazine

Our outstanding WTS Atlanta members are helping to improve transportation and our communities every day. Each year WTS Atlanta members are recognized for these contributions in Engineering Georgia Magazine's Top 100 Influential Women in Georgia and 50 Women in the Know lists. **This year we are excited to announce that 38 members were included!** Congratulations to these accomplished individuals on this significant honor, and thank you for your commitment to this industry and the people it serves.
