

WTS Paula Hammond Leadership Legacy Scholarship for Graduate Studies

WTS launched the Leadership Legacy Scholarship in 2007. Through this award, WTS provides a **\$5,000** scholarship to an outstanding young woman pursuing graduate studies working toward a career in transportation or a related field, and who demonstrates a specific interest in advancing transportation innovation.

The WTS mission to build the transportation industry through the global advancement of women can be realized by encouraging women to further their careers as leaders in transportation. WTS recognizes that transportation is more than simply moving people and goods from one place to another. It is a driver of growth and an integral part of communities throughout the world. The leadership, skills, and perspectives of women are essential to ensure that the transportation systems of the future respond to the needs of all. The Leadership Legacy Scholarship currently takes the name of the 2020-2022 WTS International Chair, Paula Hammond.
