

## WTS Transportation YOU High School Scholarship

WTS fosters the development of women and girls in the transportation field by encouraging bright new professionals and students to undertake careers in the area of transportation. One way it does this is by awarding the WTS Transportation YOU High School Scholarship to girls pursuing high school studies in science, technology, engineering, and math.

*Transportation YOU* is a hands-on, interactive, mentoring program that offers young girls ages 13-18 an introduction to a wide variety of transportation careers. Through the Transportation YOU program and this scholarship, WTS chapters work to make a difference in the lives of young girls by offering opportunities and activities that will spark their interest in all modes of transportation and encourage them to take courses in math, science, and technology, which are the stepping stones to exciting careers that can change the face of the transportation industry.

**The WTS-Boston Chapter is offering a Transportation YOU High School Scholarship in the amount of \$2,000.** The winning recipient's application is then forwarded to the WTS Foundation for consideration for **the International WTS Transportation YOU High School Scholarship in the amount of \$2,500.** The minimum criteria for selection are:
