# SAN DIEGO COUNTY REGIONAL AIRPORT AUTHORITY UPDATES:

## Covid-19 Recovery and Terminal 1 Replacement

### SPEAKER

Angela Shafer-Payne, Vice President for Operations and Chief Operating Officer of the San Diego County Regional Airport Authority will talk about how San Diego International Airport is recovering from the COVID-19 pandemic. She'll also walk you through the Airport Authority's plans for the replacement of Terminal 1 with a larger and more efficient facility that will enhance the passenger experience for decades to come.
