## What's Happening at WTS-GNY

### **WTS International launches the 2015 Member-to-Member Campaign Recruit new WTS members and win!**

Tap into your network of colleagues and grow WTS International! During October, take up the challenge and recruit new members. More WTS members mean a larger network of transportation professionals that supports the global advancement of women.

For information on how to receive credit for referrals and to qualify for prizes, [please click here](#). Grand prize is registration for the WTS International 2016 Annual Conference and round-trip airfare to Austin, TX.

## Transportation YOU Summer Internship at MTA New York City Transit

The WTS-GNY Transportation YOU Committee has established a dynamic program that offers City Poly Technic High School students unique exposure to the transportation profession through behind-the-scenes tours and events. The 2014-2015 program

included tours of Mother Clara Hale Bus Depot and JFK Airport, as well as a professional development workshop focused on effective communications. This year also featured a new S.T.E.M. summer internship and College Buddy in partnership with City Polytechnic HS and MTA New York City Transit.

Over the course of six weeks, 10 students completed detailed projects for various NYCT departments. The internship gave them the opportunity to get hands-on experience working in the transportation industry. NYCT Human Resources provided additional support by matching the students with college buddies interning in the agency's Student Experiential Program. At the end of the internship, the girls gave presentations on the results of their six weeks of hard work as they shared comprehensive maps, detailed plans and designs to a room full of NYCT managers.

## INDUSTRY NEWS

### **Molly Campbell is the new Port Commerce Director at the Port Authority of New York & New Jersey.**

Campbell was previously the director of financial management systems at Los Angeles World Airports for the City of Los Angeles. Prior to that position, Campbell had been an executive with the Port of Los Angeles for 15 years, first as its chief financial officer from 2000 to 2007 and then deputy executive director from 2007 to 2015, at which point she was responsible for the day-to-day administration of the nation's busiest port complex.
