

WTS Paula Hammond Leadership Legacy Scholarship

WTS launched the Leadership Legacy Scholarship in 2007. This scholarship is awarded to an outstanding young woman pursuing graduate studies working toward a career in transportation or a related field, and who demonstrates a specific interest in advancing transportation innovation in the international arena. The WTS mission is to build the transportation industry through the global advancement of women by encouraging women to further their careers as leaders in transportation. WTS recognizes that transportation is more than simply moving people and goods from one place to another. It is a driver of growth and an integral part of communities throughout the world. The leadership, skills, and perspectives of women are essential to ensure that the transportation systems of the future respond to the needs of all. Through the Leadership Legacy Scholarship, WTS seeks to motivate and reward women who demonstrate leadership in the industry to bring ideas, innovation, and new approaches to transportation challenges in the US and beyond.
