

Archaeological Field Staff – Multiple Positions

NTM Engineering is seeking experienced staff to fill several **immediate openings** for Archaeological Field Technician, Crew Chief, and Field Director level positions on projects consisting of several long-term Phase I surveys, Phase II, and Phase III data recovery excavations in eastern and central Pennsylvania.

Job requirements include a bachelor's degree in Anthropology or Archaeology and demonstrated experience in both historic and prehistoric archaeology. Preference will be given to candidates that demonstrate experience working in the Mid-Atlantic region. Pennsylvania experience is preferred, but not required.

The hourly wage range is \$18.00-\$25.00 depending on position responsibilities and previous experience. Lodging and meal *per diem* will be provided during the scheduled work period. The positions have the potential to become full-time with benefits positions based on experience and performance.

Minimum position requirements include:

- Successful completion of an archaeological field school and a bachelor's degree in anthropology, archaeology, or related field.
- Physical requirements include the ability to stand or kneel for long periods of time, hiking in rugged terrain, and lifting/carrying up to 40 lbs. without restriction.
- The successful candidate will be self-motivated, able to conduct all aspects of fieldwork in all weather conditions, and be able to work under supervision and as part of a team.

Interested candidates should submit a cover letter demonstrating how the candidate is qualified and would be an added value team member, as well as a resume and/or CV with references.

ONLY APPLICANTS WHO SUBMIT COMPLETE EMPLOYMENT AND SALARY HISTORY, WITH SALARY REQUIREMENTS WILL BE CONSIDERED.

Location: Dillsburg, PA (15 mi south of Harrisburg, PA; 20 mi northwest of York, PA) and Wayne, PA.

Please do not contact job poster about other services, products or commercial interests.
