

What is WTS?

Women's Transportation Seminar (WTS) is an international organization dedicated to building the future of transportation through the global advancement of women. One of the greatest assets of WTS is its spirit of community, inclusiveness, and mutual support for both women and men, because it takes the growth and awareness of both women and men in transportation to achieve our mission. Our mission is to attract, sustain, connect and advance women's careers to strengthen the transportation industry. WTS Toronto Area Chapter is currently the only Canadian chapter of WTS, serving the Greater Toronto Area.

Benefits of being a WTS Toronto Area Chapter member

WTS Networking

WTS provides networking opportunities to the highest levels of the transportation industry through program events, speakers, technical tours, and interaction with other WTS members through social events.

Professional Development

WTS offers a diverse mix of contacts within and across transportation sectors, professional development workshops, educational and career focused guidance and preparation, and access to the WTS International Career Centre.

WTS Knowledge Lab

Knowledge lab is a members' only portal to documents, videos, transcripts, and other resources that offer career and industry content that supplement live networking and industry events.

Education

WTS offers exceptional opportunities in education including leadership training, scholarship and fellowship opportunities, distinguished speakers, and much more.

Mentoring

WTS chapters Toronto Area Chapter offers a successful mentoring program, developed to benefit both the mentor and mentee and includes sharing career success stories for future women leaders, building long-term relationships, and more.
