

WTS Junior College/Trade School Scholarship

WTS fosters the development of women in the transportation field by encouraging bright new professionals to undertake careers in transportation. One way it does this is by awarding community, technical, or trade college scholarships to women pursuing transportation- related study at community and trade colleges.

This scholarship is intended for students pursuing an associate or technical degree in transportation-related studies.

The WTS-Boston Chapter is offering a scholarship in the amount of \$2,000. The recipient is then forwarded to the **WTS Foundation for consideration for the International WTS Junior College/Trade School Scholarship in the amount of \$2,500.** The minimum criteria for selection are:

- a. GPA of 3.0 or higher.
- b. Currently enrolled in an associate or technical degree program in a transportation-related field at a junior college, community college, or trade school.
- c. Plans to pursue a career in a transportation-related field.
- d. Open to women.

Applications and all supporting documentation must be submitted through WTS-Boston Chapters as one (1) combined PDF package. Scholarships are competitive and based on the applicant's specific transportation goals, academic record, and transportation-related activities or job skills.

The WTS-Boston Junior College/Trade School Scholarship will be presented in June 2023 at the WTS-Boston Awards & Scholarships Dinner. National scholarship awards will be presented during the WTS International Annual Conference in May 2023, and attendance during the awards ceremony is strongly recommended.
