

WTS Junior College/Trade School Scholarship

WTS fosters the development of women in the transportation field by encouraging bright new professionals to undertake careers in transportation. One way it does this is by awarding community, technical, or trade college scholarships to women pursuing transportation-related study at community and trade colleges.

This scholarship is intended for students pursuing an associate or technical degree in transportation-related studies.

The WTS Junior College/Trade School Scholarship is \$2,500.* The minimum criteria for selection are:

- a. GPA of 3.0 or higher
- b. Currently enrolled in a degree program in a transportation-related field.
- c. Plans to pursue a career in a transportation-related field.

Applications must be submitted through local WTS chapters as typed documents. Scholarships are competitive and based on the applicant's specific transportation goals, academic record, and transportation-related activities or job skills. National awards will be presented during the WTS Annual Conference in May 2023, and attendance during the awards ceremony is strongly recommended. Conference registration for scholarship winners is complimentary. Local chapters will assist with arrangements upon selection and may have additional requirements, such as personal interviews or higher GPA. Please contact your local WTS chapter at the address listed on the application for specifics.

DEADLINE FOR SUBMISSION: JANUARY 6, 2023

Submit completed application or questions to wts.hrc@gmail.com

** Applications chosen at local level are sent on to International for a chance to win the noted amount. The local level applicant chosen to be sent on to International will have the potential to earn up to \$1,000 based on the quality of applications and available funding.*
