Challenging today. Reinventing tomorrow.

Michael Baker

INTERNATIONAL

PROVIDING A FULL CONTINUUM OF INNOVATIVE SERVICES TO RESTORE AND ENHANCE OUR NATION'S INFRASTRUCTURE

Reaching the century mark isn't easy – you have to be quality-driven, client-focused, and have a vision for the future. At 100 years, STV is looking ahead. Our planners, architects, engineers and program/construction managers have a stake in the business, and are committed to quality performance. We provide personal attention and timely solutions, with an eye toward sustainability. And with more than 40 offices, we are a local firm with national resources.

When it comes to getting your project delivered right, choose the firm that has the drive and vision to be the best.

Question today Imagine tomorrow Create for the future

WSP meets complex client challenges with integrated and sustainable engineering solutions.

Find out what we can do for you.

American Geotechnical & Environmental Services, Inc.

We are one of the largest specialty geotechnical engineering design firm in the Northeast United States.

We are proud to celebrate our 26th
Anniversary. Our wonderful journey would
not have been possible without our
exceptional employees and clients. We
want to thank you for being a part of our
family and are looking forward to many
more years working together.

<u>Urban Starts With You</u>

Urban has been a long time sponsor of WTS, and the firm is excited to expand that support to the New Jersey chapter. We are a multidisciplinary design, environmental, planning, and construction support services consulting firm. Founded in 1960, Urban provides services for surface transportation, aviation, rail/transit, and the built environment.

urbanengineers.com 220 Lake Drive East, Suite 300 Cherry Hill, NJ 08002

We're proud to announce that Amy Greene Environmental is changing its name to Davey Resource Group, Inc. (DRG). While we are changing our brand, we are not changing our high-quality service offerings nor our commitment to excellent client experience. The talented staff of experts you have come to know will continue to offer the same comprehensive ecological consulting services including wetland delineation; wetland, riparian and stream habitat mitigation; arborist services; invasive species management; endangered species consulting and more.

An ENR 500 Top Design Firm serving the eastern United States since 1989
