

WTS Shawna Mulhall Memorial Scholarship

The Shawna Mulhall Memorial Scholarship was established in 2007 by the Puget Sound Chapter of WTS to encourage women to pursue career paths in transportation or a related field. This scholarship provides needs based assistance to students in honor of Shawna's dedicated service to WTS and the transportation industry. Shawna valued mentoring, believing we are all responsible for each other; generosity and giving with your heart; adventure and trying new things; contributing value and striving for excellence; really listening; and living a full life with dedication to family, community, arts, expression, and nature. Shawna Mulhall was a woman who overcame obstacles in her life through her connection to others, hard work, and her devotion to build stronger, more vibrant communities through her work in urban and transportation planning. She made significant sacrifices to put herself through college. She was a natural leader in transportation in a number of private and public roles in the Northwest. Shawna was devoted to helping other women.

The Shawna Mulhall Scholarship supports the WTS goal of fostering the development of women in the transportation field, and is meant to address the needs to women who face financial challenges to pursuing their education.
