

Scholarship Sponsorship

Donations can be made online or via check. All donations can be made [here](#).

Sponsor or Donate to a Scholarship

WTS-LA receives many highly qualified student scholarship applications every year.

We distribute high school, community college/trade school, and undergraduate and graduate university scholarships. With your help, we have awarded \$100,000 through approximately 20 scholarships annually.

Private firms, public sector agencies, and individuals can contribute to our scholarship program in two ways:

• Sponsor a Scholarship

Sponsor a scholarship (corporate, agency, or individual) and receive benefits (at right).

• Donate to a Scholarship

All donors of any amount will be recognized as contributors to scholarships. *Anyone is eligible to donate at any amount.*

Recognition for All Sponsors and Donors

- Appreciation and thanks through chapter communications: WTS-LA newsletters, website, social media, and collateral materials, such as the chapter report
- Acknowledgment at chapter events and at the Annual Scholarship and Awards Dinner
- Engagement with scholarship recipients
- Contribution to workforce development and recruiting, as well as increased gender inclusion in transportation
- Support for the next generation of transportation professionals
