Due: October 13, 2023

2023 WTS Houston Scholarships
\$23,000 will be awarded!

ABOUT WTS

WTS is an international organization dedicated to strengthening the transportation industry through the advancement of women's careers. This includes providing educational opportunities to encourage students and future professionals to choose careers in the transportation field.

WHO CAN APPLY?

Scholarships are available to high school, community college, undergraduate and graduate women in the Houston region who are pursuing studies in transportation or a transportation related field. This includes Civil Engineering, Environmental Studies, Public Policy, Surveyors, Construction Management, etc.
