

Advancing women Advancing transportation > Oklahoma

WTS attracts, sustains, connects and advances women's careers to strengthen the transportation industry. To fulfill this mission, WTS operates under a specific vision of equity and access for women in transportation with core values, goals and guiding principles behind all of its activities and programs. WTS is committed to ethical leadership, integrity and respect for all.

BENEFITS OF WTS

- * **Networking:** WTS provides networking opportunities to the highest levels of the transportation industry through program events, speakers, and interaction with other WTS members
- * **Professional Development:** WTS offers a diverse mix of contacts within and across transportation sectors, educational and career-focused guidance and preparation, and access to the WTS International Career Center
- * **WTS Knowledge Lab:** Knowledge lab is a members-only portal to documents, videos, transcripts, and other resources that offer career and industry content that supplement live networking and industry events
- * **Education:** WTS offers exceptional opportunities in education including leadership training, scholarship and fellowship opportunities, distinguished speakers, and much more
- * **Mentoring:** WTS chapters offer successful mentoring programs to chapter members, developed to benefit both the mentor and mentee including sharing career success stories for future women leaders, building long-term relationships, and more
