

Partner with South Florida WTS and Support Our Vision of Equity and Access for Women in Transportation!

www.wtsinternational.org

South Florida WTS hosts a series of educational and advocacy events throughout the year related to improving all modes of transportation with a special emphasis on current challenges and opportunities facing our region. We have a unique membership and network of professionals from both the public and private sector that contribute to building a safe and efficient transportation system, for both the movement of people and goods, while creating and sustaining economically vital communities. Our contact list includes elected officials, government agencies, engineers, architects, planners, designers, public involvement specialists, developers, and many others who design, build, and fund transportation projects. As a South Florida WTS Sponsor, you will have a unique opportunity to connect with this influential network.

There are two types of sponsorship opportunities available each year, they are:

- 1) **Annual Chapter Sponsor** – This is a 12-month overall Chapter sponsorship, which includes benefits provided throughout the year as shown in the table below.
- 2) **Chapter Event Sponsor** – This is a one-time sponsorship for a specific event. The South Florida WTS Chapter typically hosts two large events per year. The events and associated event sponsorship opportunities will be advertised separately in advance of each event.

The SF WTS Annual Chapter Sponsor levels and benefits are shown below:
