

# WTS Oklahoma Corporate Sponsorships

## Who is WTS?

Founded in 1977, WTS International is a premier professional association dedicated to attracting, sustaining, connecting, and advancing women in the transportation industry. We focus on five key priorities: Advancing Transportation, Building the Future of Transportation, Supporting Professional and Workforce Development, Advocating for Increased Gender Equity, and Maintaining a Formal Set of Legislative and Regulatory Priorities.

## What do Corporate Sponsorships fund for WTS Oklahoma?

Every year, WTS Oklahoma awards between \$9,000 and \$15,000 in scholarships to students studying at universities and trade schools in the transportation field. Corporate Sponsorships help to fund this financial aid, as well as a host of other events! WTS Oklahoma hosts dynamic monthly programs, offers mentoring to college students, provides engineering learning opportunities to high school students, and engages in fun activities for our membership and the transportation community. With your help, we hope to continue our mission of advancing women in transportation through all of these activities!

## How can you get involved?

Varying sponsorship levels are available for WTS Oklahoma, including a new sponsorship for Public Agencies! Becoming a member is also a great way of getting involved and to help further the mission of advancing women in the transportation industry. As a member, you'll not only get invited to exclusive members-only events throughout the year, but you'll be a part of an impactful network of over 9000 transportation enthusiasts throughout the country!
