WTS-LA receives many highly qualified student scholarship applications every year. With your help, in the last five years, we awarded \$650,000 through 140 scholarships to high school, community college/trade school, undergraduate, and graduate women and non-binary students focused on transportation.

Please join us in our investment in the future of transportation. Private firms public sector agencies, and individuals can contribute to our scholarship program. Scholarships will be presented to recipients at our highly anticipated and well-attended Scholarships and Awards Gala on Thursday, November 6, 2025!

### RECOGNITION AND VALUE FOR ALL SPONSORS AND DONORS

- Acknowledgment at the 2025 Scholarships and Awards Gala through posters and presentation
- Appreciation and thanks through chapter communications: WTS-LA newsletters, website, social media, and collateral materials, such as the chapter Annual Report
- Engagement with scholarship recipients, who are possible recruits for your firm
- Contribution to workforce development and increased gender inclusion in transportation
- Support for the next generation of transportation professionals

\*If you buy a table, a complimentary ticket will be discounted from your table purchase. A discount code will be provided to you for your complimentary ticket.
