Who We Are:

WTS International was founded in 1977 and is a premier professional association dedicated to attracting, sustaining, connecting, and advancing women in the transportation industry. With over 9,000 members in 70 chapters across the US and Canada, we focus on five key priorities:

- We **Advance Transportation** through our members' subject matter expertise and relationships with industry stakeholders.
- We support **Professional and Workforce Development** through training, programs, and events.
- We advocate for increased **Gender Equity** by supporting and promoting family friendly work policies, equal pay, equitable hiring practices, and other specific legislation that supports the advancement of women.
- We maintain a formal set of **Legislative and Regulatory Priorities**, which includes backing equitable, sustainable, and safe transportation systems, small and disadvantaged businesses and more.
- We are **Building the Future of Transportation** through student scholarships and hands-on educational opportunities supported by the WTS Foundation.

The Pittsburgh Chapter of WTS began in 2015. Members of our local chapter not only have access and benefits outlined above, but they have a network of transportation professionals in the Pittsburgh region. In almost ten years, WTS Pittsburgh has provided over \$48,000 in scholarships to students, hosted local high school students at the DC Capital Summit, facilitated multiple events providing access to area leaders in PennDOT, City of Pittsburgh, Pittsburgh Regional Transit, Allegheny County Airport Authority. WTS Pittsburgh collaborates with other professional organizations including ASCE, ASHE, COMTO and others. All of this is possible with the support of our sponsors and partners.

Even more than ever, access to a world of resources, people, and development opportunities is vital to a strong workforce of thoughtful and hardworking people that build our transportation projects. The WTS Pittsburgh Chapter continues to serve as a hub for corporate and agency partners to foster relationships, develop and expand knowledge, and find support for local transportation initiatives - in total membership includes over 20 Corporate Sponsors and Partners and over 130 members! With your continued support we will be able to maintain our high caliber events, develop new initiatives for you and our members, and ensure high levels of access to the many local governments and transportation agencies in our region. Attached is a full description of the range of benefits for Sponsors and Partners in 2025, as well as information for direction donations to support the WTS Foundation. To renew or become a partner, please complete the form at the end of this brochure.

Please don't hesitate to contact the interim Sponsorship Chair, Amelia Harris at aharris@benesch.com. Thank you again for your support of WTS and we look forward to partnering with you this year!

SCHOLARSHIP FUND Contribution

Thank you for supporting the WTS Foundation in our 2025 fundraising goals. The Foundation, the 501c3 arm of WTS, funds not only scholarships but also educational programming and student opportunities. WTS Pittsburgh aims to give \$10,000 per year in scholarships to students pursuing a career in the transportation industry. WTS Pittsburgh also provides funds to send high school students to the Capital Summit held in Washington, DC annually. As a chapter, we are committed to providing \$6,000 to cover two students and one mentor each year to attend the Capital Summit.

The WTS community can do awesome things – and this year, the WTS Foundation is encouraging our supporters to also Do Something Awesome. Your financial contributions make a direct and high-impact difference in students in our region.
